1. HIGHWAY TOLLS

The 'Via Verde Visitors' is a Temporary Electronic Device designed for use on Portuguese highways in vehicles with foreign plates, which facilitates the payment of tolls on those highways.

In order to take advantage of the 'Via Verde Visitors', all you need is an international credit Card issued by a foreign entity that is valid and recognized by Via Verde Portugal (the Card).

This Device can be rented at any Via Verde store or at Rally de Portugal HQ, next to Via Verde assistants.

The advantages of 'Via Verde Visitors'

- Automatic payment of all tolls, valid wherever found on the national toll road network;
- Available on national soil;
- Quick and easy, minus the hassle of going out your way and any administrative charges;
- Valid for 90 days;
- Avoids having to buy a Permanent Electronic Device;
- Allows the on-line consultation of all transactions;
- On-line access to the invoice / receipt

General terms and conditions

On subscribing to the service, and in order to receive the Temporary Device, the vehicle's driver should provide a valid Card recognised by Via Verde Portugal, with an expiration date of more than 90 (ninety) days, so that the following amounts as stipulated in the Contract can be charged:

- The guarantee;
- The weekly rental of the equipment;
- The tolls owed during the use of the road network.

The Temporary Device is delivered to the driver of the vehicle upon payment of a **deposit** (28,00€), which shall be credited to the bank account of the Card being used, after the Device has been returned in perfect working and physical condition to one of the issuing/recall centres along with proof of payment and membership of the Service.

The rental of the Temporary Device is valid for no more than 90 days, during which time the user shall pay **6 Euros in the first week and 1.5 Euros each following week.**

You can return the device also at any Via Verde store or here at Rally de Portugal HQ, next to Via Verde assistants.

If the Temporary Device is not returned to one of the issuing/recall centers within the above-specified period, the amount paid of the guarantee shall not be returned and the driver is expressly forbidden to continue using the Device, in accordance with Portuguese law.

Terms and conditions of 'Via Verde Visitors' are available at www.viaverde.pt/visitors
