

# RALLY RECYCLING GAME

## FOR A MORE SUSTAINABLE RALLY

## HOW TO PLAY

Print the game board and rules;  
use preferably, recycled paper.  
Look for bottle caps of various colours,  
use coloured plasticine or paint cork stoppers  
to make the pawns of the game.  
You can build the dice with paper, cardboard  
or ask an adult to cut/mould a cork stopper  
and draw the numbers (1-6);  
Use your imagination!

Please take notice, that the  
game is made according to  
Portuguese Recycling Rules,  
Containers and Colours!

REMINDER:  
ALWAYS  
SEPARATE  
WASTE  
RECYCLE!

## RULES OF THE GAME

The 1st player rolls the dice and moves the  
number of squares indicated by the dice.  
In some squares you have questions to answer  
or other instructions that may delay or  
advance your moves.  
The winner of the RALLY RECYCLING GAME,  
is the first player to arrive at the chequered  
flag! (square 15).  
Attention: To win, you must cast the exact  
number to move the squares you need until  
you're done! If you get a higher number than  
that you need, you must go squares back.
